Teacher has attended ECS professional development program: **Yes**  
A school leader has attended a CS professional development: **No**  
A district leader has attended a CS professional development: **No**

### TEACHER PERSPECTIVES

Quotes from an Exploring CS teacher:

*"All students have access to my CTE program and CS. Everyone is expected to be Respectful, Responsible and Safe. My classroom has tables and a separate computer lab for work space.*

*I utilize my classroom, computer lab and Shop for CS projects including Robotics and Drones. I have an inviting and safe space for students to interact and learn. I teach a Junior High Rotation class where I introduce students to CS."*
