Teacher has attended ECS professional development program: **Yes**
A school leader has attended a CS professional development: **No**
A district leader has attended a CS professional development: **Yes**

TEACHER PERSPECTIVES

Quotes from an Exploring CS teacher:

"I have had some amazing, gifted students who not only shine in their own work, but are willing to help others in understanding new concepts and learning."

"This was my first time teaching ECS and watching the students get excited about their work, collaborate and create was amazing for me."
